

PEPPER SHISHITO

Capsicum Annum

18-24" Spacing • 24-30" Height
Annual • Full sun • Zone 10-11

- Green fruit with thin walls
- One in every ten peppers surprises you with a mild sweet heat
- A favourite in Japanese cooking
- Matures in 60 days for green fruit, 80 days for red
- Harvested green, matures to red with a sweeter flavour
